## CHECK YOUR ENROLLMENT

An increasing Sunday School enrollment will sustain long term increase in Sunday School attendance. The increasing Sunday School enrollment is the open door to the growth of every organizations life in the First Family and the filling of future leadership needs. An increasing Sunday School attendance is at the heart beat of our existence. Each Sunday School department has their own ledger which contains enrollment information. Department and class leadership teams will want to review their ongoing enrollment. Increasing enrollment is basic to teaching units maintaining and increasing average attendance. One of our goals is to increase the number of those involved in Bible Study. The leadership teams will want to take their ledger from the record box, turn to Sunday 1 and find the enrollment count. Compare Sunday 1 with the enrollment for last Sunday (Sunday 18). Has the enrollment increased? Sunday School departments and classes will want to make enrolling visitors in Sunday School a priority.

## VACATION BIBLE SCHOOL

First Planning Meeting  
January 29, noon

***Steps to a successful Vacation Bible School will begin January 29 at noon as previous workers and others gather to start the process going. This year it's the Arctic Edge: Where Adventure Meets Courage. This summer the children will trek north to the Arctic Edge, where daily excursions from Big Bear Lodge will have kids hiking across the tundra, exploring the seascape by kayak, and skimming the backcountry in a float plane. During our meeting we will take a look at the age group materials and review the evaluation notes from Vacation Bible School 2005. To make meal reservations simply contact the church office by phone or email at info@fbcgraham.com.***
