HOME MISSIONS CONTINUES

\$1,740.00 Given

The offering emphasis for the Annie Armstrong Home Missions offering continues this Sunday. You have given \$1,740.00 toward the offering goal of \$7,500.00. The First Family once again is sacrificially giving to this mission emphasis. We give to this mission cause to help our missionary force reach for Christ an estimated 244 million lost people in the United States and Canada; that's three out of four people. Unlike so many other good causes, 100% of the financial gifts given go to support the missionaries and their work. There are about 5,364 being supported by the members of Southern Baptist Churches. One third of these are career missionaries, a third are short-term funded missionaries and a third are Mission Service Corps missionaries. The financials gifts given during this offering contribute to forty four percent of the budget. One of the best ways to spread the gospel to those in America and Canada is to give to the Annie Armstrong Home Missions Offering.

CELL PHONE FOR JESUS

Recently our Royal Ambassadors learned how they could help pay for vehicle gas, and other ministry needs for the ministry programs that take place in Lake Tahoe by collecting used cell phones that can be recycled to raise money for ministry. A cell phone does not have to be functioning in order to have value for this recycling. Royal Ambassadors have placed collection boxes at many entry doors. Drop the old cell phones in the collection box and help these boys experience the joy of helping missionaries in the Lake Tahoe area.

THE UNSAVED AND UNCHURCHED

Sunday School teachers and leaders will want to pay close attendance to the attendance marking-sheet this Sunday. A new column will be added, "Member Since." This "Member Since" column is important on two fronts. It is of value to know the date that class and department members joined the First Family. This gives the opportunity to thank them for their year of faithful attendance. More importantly, if there is a blank beside the name, it means that this person is unsaved or unchurched. This should get our attention. Our greatest evangelistic potential in Sunday School is to have unsaved and unchurched enrolled. We must enroll the unsaved and unchurched. We must help them to make decisions about salvation and church membership. We must continually seek to have additional unsaved and unchurch enrolled.

HONORED GUEST

The First Family will welcome Rev. Jorge Pastor, Denia Spain to the pulpit Sunday, March 12 for the 8:30am and the 11:00am Services. Rev. Pastor is well known to the people of Spain.
